May 7th, 2020

Dear ÉCCHS Parent/Guardians,

We here at ÉCCHS will be starting our registration process for the 2020-2021 school year with our current grade 9 to 11 students (and some grade 12 students continuing their education with us next year) in the upcoming weeks, and would like to share our registration process with you. In light of the extraordinary times we find ourselves in, this will look a little different than in previous years.

Again this year, students will make course selections online through Maplewood ConnectEd. During the registration process, each student will work online with a designated ÉCCHS teacher to pick courses for the 2020/21 school year. If your child does not have access to an electronic device and/or wifi, there will be a specific designated ÉCCHS teacher working through this process with your child in an alternative way (i.e. paper version, etc.).

If your child has not set up his/her myPass and/or myBlueprint accounts here at the school, please encourage him/her to do so ASAP. This will need to be done before the registration process begins. Students may contact our Career Counsellor (Mrs. Praticante) ([cpraticante@brsd.ab.ca](mailto:cpraticante@brsd.ab.ca)) if they need assistance with setting up their accounts.

During this registration process over the next two weeks in May, students will be coached by their designated ÉCCHS teacher about which courses (and level of courses) to select based on their goals, interests, pre-requisites, and what they need to complete to achieve a high school diploma from Alberta Education.

If your child is a grade 12 student hoping to return to ÉCCHS for the 2020-2021 school year, please be in contact with Ms. Davis ([ldavis@brsd.ab.ca](mailto:ldavis@brsd.ab.ca)) in the office to unlock his/her connectEd to select courses for next year. All students will be encouraged to select courses that will facilitate their future plans for post-secondary schooling or the world of work.

Please expect notification from the school once all our students have completed this process (by Friday, May 22nd). At that time, please review your child's course selections on his/her Maplewood connectEd portal. If parents/guardians have questions about course selections, or wish to make changes, they should contact school administration by Friday, May 29th.

Once all student course selections are finalized, our 2020-2021 ÉCCHS timetable will be created. The hope is to have timetables available to students for next year sometime in late June.

Finally, as has been communicated recently, summer school has been cancelled in BRSD for the summer of 2020. If your child is interested in and/or requires summer school, BRSD has communicated another option that is available. Below is the link. Please be advised that registration closes on Wednesday, May 27th.

If you have any questions, please feel free to contact the school at 780-672-4416.

Yours in Education,  
École Camrose Composite High School Administration Team
