Dear Families:

I am writing to let you know that three additional individuals from École Camrose Composite High School have tested positive for COVID-19 today.

Parents/guardians of students and staff whom we consider to have been in close contact with the individuals who have COVID-19 have been contacted by the school administration and will be quarantining at home.

If you have NOT been contacted, your child has not been identified as a close contact with these individuals and is not considered to be at an increased risk for COVID-19.

Today's cases mean there are currently five people who have tested positive for COVID-19 who have been at school while potentially infectious. We are also aware of several other people who have tested positive or are awaiting test results due to community exposures.

Our school remains open to in-person learning at this time. We are following all of the health and safety protocols.

Please note that our division will also follow the Freedom of Information and Protection of Privacy regulations and will not be sharing any information regarding the specific individuals who tested positive.

A BRSD cleaning team will once again be cleaning and sanitizing our school tonight according to the protocols that have been put in place.

We remind parents/guardians to monitor their children for any signs or symptoms of COVID-19. The Daily COVID-19 Checklist can be found [here](#). Please remember to complete the checklist each day prior to attending school and/or getting on the school bus. As a reminder, if your child has any of the symptoms of illness listed on the daily checklist, please fill out the online [Alberta Health Services COVID-19 self-assessment](#) or call Health Link at 811 and keep your child at home.

Thank you for your continued support and understanding. Our school family is strong and we will get through this situation together.
