5. Purpose of School Advisory Council:

- School councils are an important forum through which members of school communities play an advisory role in school improvement planning.
- Key factors in collaborative relationships are building meaningful, two-way communication and supporting respectful interactions among education partners.
- School council is a structured group of parents, principals, teachers, secondary students and community representatives whose purpose is to advise the principal and the school board regarding matters relating to the school.
- It is a means for parents and community members to work together with the school to support and enhance student learning.
- A school council is a vehicle to support meaningful parental involvement in decisions that affect the school and its operations.

Core Activities:

- Advises the principal and board on educational issues that pertain to the school.
- Establishes and reviews school council's goals, objectives, action plans and procedures.
- Communicates and consults with parents and the school community.
- Meets regularly.
