Good afternoon ÉCCHS Families,

With the rise of the Omicron variant in our community we are once again having to adjust the way we are doing things at ÉCCHS to ensure the safety of all of our students and staff. Effective Monday, January 17, we will no longer be allowing parents/guardians and other spectators into the school to watch our extracurricular activities. Only school athletes, officials, bus drivers, and coaches will be permitted. It is still a priority to ensure that school athletics remains strong and our extra-curricular activities continue to operate, but we feel this shift is necessary at this time.

We will do our best to continue to live stream all games so that you can cheer our teams on from the comfort of your homes, and invite other friends and family members to do the same. The link to the games will continue to be posted on our website and YouTube channel.

We will continue to evaluate the situation on a weekly basis as we understand the importance of including our parents/guardians in our school culture. Once our numbers start to decline, we are hoping to be able to have you rejoin us in person.

Thank you for your continued support and cooperation,

Shane Gau
Principal, ECCHS
